

INLET \varnothing 90 mm

A technical drawing of a mechanical component, possibly a filter or a valve. The drawing shows a cylindrical inlet at the top with a diameter of 90 mm. Below the inlet are three horizontal plates. The distance between the top plate and the bottom plate is 65 mm. The bottom plate is connected to a curved arm that leads to an outlet at the bottom right. The outlet has a diameter of 100-110 mm. The drawing is a side view, showing the internal structure of the component.

65 mm

OUTLET \varnothing 100-110 mm
